

# THEY TOOK *SHARPE JAMES* OFF THE TEAM

Kenneth Gibson, the capable, experienced and qualified South Ward Leader who soon will be Mayor of the city of Newark is disgusted with Sharpe James who has been hanging on his coat tails . . . . this immature boy has done more to hurt the Gibson Campaign then help it.

Sharpe James is the one candidate that the voters do not want and many of them refuse to come to the polls because they have seen through the wheeling, dealing and lying he has been doing and still is.

Sharpe James did team up with Lee Bernstein to defeat Earl Harris who now is supposed to be his brother candidate . . . . When this double crossing was found out, Sharpe James then begged Lee Bernstein to support him in his bid for President of Weequahic Community Council. **THE WHEELING AND DEALING DID NO GOOD BECAUSE THE WEEQUAHIC COMMUNITY COUNCIL SUFFERED.**

The record clearly shows that Sharpe James was president of Area Board No. 9 U. C. C. which is on Osborne Terrace. During the time he was in that office, drugs and dope were introduced into the Osborne Area and the Area Board Center. A Police Raid discovered this wide spread use of dope and an investigation took place. Sharpe James is under investigation as well as the methods used to introduce this dope to South Ward Children . . . . Sharpe James speaks now about what he will do to prevent the rising crime and dope rates in the South Ward . . . . **HE DID NOTHING THEN, HOW CAN WE BELIEVE HE WILL DO SOMETHING LATER.**

Sharpe James lied to candidates at the Black & Puerto Rican Convention last year. He stated publicly that he would not run for office if the then Councilman, Horace Sharper ran. On this ground alone, he was chosen. Horace Sharper did run and double crosser Sharpe James did run to defeat his friend.

**HOW CAN WE THE VOTERS TRUST SUCH A MAN WHO HAS NO INTEGRITY.**

Ken Gibson who has a clean, outstanding record cannot afford to have his character made dirty by such a man like Sharpe James . . . . He is taking him off his coat tail and the voters of the South Ward must do the same. **HE IS NOT WANTED ON ANY TEAM.**

Sharpe James says he will quit as a coach in July . . . . this means the end of his salary . . Sharpe James says he will not accept the \$10,000 yearly salary of a Councilman, when elected . . . . This certainly means he will have no income; Sharpe James is not a rich man . . . . **HOW DOES HE EXPECT TO LIVE AND TAKE CARE OF A FAMILY.**

The facts are that Sharpe James will receive \$40,000 a year kick back from the Clinton Ave. Real Estate interest who is backing his campaign. This money will be paid for information dealing with home owners who are delinquent in their taxes and the city takes over the property. There is a tremendous profit in buying up this property just for back taxes.

Ken Gibson does not need this kind of a scandal before he gets into office . . . . This is why Sharpe James is off the team . . . . Ken Gibson does not want a tail on him that stinks now of double crossing, wheeling, dealing and lying.

**The Voters in the South Ward Do Not Need this 'BOY'**
